

Do The Loop!

2.5KM Scenic Loop

See below for our shorter and scenic 2.5KM route. This beautiful loop passes three Threshold Homes, crosses the City of Victoria border twice, travels through the South Jubilee Community (our event sponsors) and travels the beautiful Brighton Trail. This shorter loop is great for kids, families, seniors, people with limited mobility, or anyone who just wants to do a breezy, beautiful route. You can still ask for \$25 donations for 2.5KM!

Note #1: You can create your own 2.5KM loop, anywhere across Victoria or around the world. This one is just a suggestion. **Note #2:** Area marked in green has some stairs. If you are not comfortable with stairs, please use Victoria/Granite as a workaround. **Note #3:** Route below is 2.6KM, to be exact

Details: You can Do The Loop in either direction, and start from any place on the map. Track your loop using Strava or any other GPS app! Send us your personal loop and post to social media #dotheloop when you're finished.

Blue: Road + sidewalk

Green: Gravel pathway and stairs

Do the Loop!

Directions: (Recommended start: corner of Oak Bay Avenue and Davie Street, beside Home Hardware)

- 1) Take Davie Street south to Brighton Avenue.
- 2) Turn left (east) on Brighton Avenue.
 - a. Brighton becomes a gravel trail with some stairs, just to the east of Victoria Ave.
 - b. If you don't want gravel/stairs, turn left (north) at Victoria Ave, then right (east) at Granite Street.
- 3) Turn left (north) on Hampshire Rd
- 4) Turn left (west) on Oak Bay Ave.
- 5) Turn right (north) on Elgin Rd (use the crosswalk to cross)
- 6) Turn left (west) on Byron Street.
- 7) Turn right (north) on Foul Bay for 50 feet; then
- 8) Turn right (west) on Leighton Street.
- 9) Turn left (south) on Fell Street
- 10) Turn left (east) on Oak Bay Ave
- 11) FINISHED
